

PRAB BUILDS DURABLE EQUIPMENT FOR **THE TOUGHEST JOBS** IN MANUFACTURING AND METALWORKING

"I used to work in a shop that had PRAB equipment and it ran 24/7, with very little maintenance. When it came time to look at scrap handling systems,

I WANTED TO GO WITH WHAT I FELT WAS THE BEST."

Gary Sroufe, C&A Tool

PRAB

a  Global company

Metal Scrap Processing Equipment

Profit from Your Shop's Second Largest Source of Revenue: Metal Scrap

"We get \$0.17 per pound more for our briquetted material over loose chips."

— Jack Rován, Martin-Baker Plant Manufacturing Manager

Proven Results Achieved by PRAB Customers:

- Documented reduction of scrap volume by as much as 90%
- Increased scrap value up to 25%
- Reclaimed up to 99% of cutting fluids

Fluid Recycling Equipment

Reduce Your Plant's New Fluid Purchases & Eliminate Tramp Oil Issues

"Over \$212,000 a year in oil savings. I am in shock along with everyone else in my plant."

— Rod Anthony, President, Anthony Screw Products

Proven Results Achieved by PRAB Customers:

- Documented reduction of new fluid purchases up to 75%
- Reduced fluid disposal costs by approximately 90%
- Extended tool life by up to 25%

Metal Scrap Conveying Equipment

Try Our Conveyor Selector Tool at prab.com

Raise Productivity by up to 50% & Improve Workplace Safety

Over 75% of Fortune 500 businesses rely on PRAB's wide range of metal scrap conveyors and load-out systems daily.

Proven Results Achieved by PRAB Customers:

- Reduced downtime, in some cases from 3-4 hours to just 2 minutes
- Improved housekeeping and reduced workplace accidents by up to 25%

Water & Industrial Wastewater Treatment Equipment

Reduce Your Haul-Away Costs by up to 90% & Improve Manufacturing Efficiency

PRAB industrial wastewater treatment systems reduce costs by recycling and reusing up to 97.8% of wastewater and lowering disposal costs. Ultrafiltration and vacuum evaporation can reduce waste by 78% and 91% or more.

Proven Results Achieved by PRAB Customers:

- Reduced water costs of up to 97.8+%
- Reduced wastewater haul-away costs of up to 90%
- Reduced cost of washwater and detergents up to 75%

PRAB Solutions Are Proven to:

Reduce Your Costs

"We have seen around a 75% savings on new coolant purchases."

— Alexandre Blinov, Koss Aerospace Maintenance Manager

Boost Your Revenue

"On average, [the scrap dealer] is giving me an additional 15% in value for dry chips instead of wet chips. That adds up to roughly \$24,000 to \$28,000 per year."

— Rod Anthony, Anthony Screw Products President

Make Your Workplace Safer

"Our process of disposing metal scrap has become more ergonomic and safer."

— Jack Rován, Martin-Baker Plant Manufacturing Manager

Comparison of Scrap Handling & Die Change Efficiencies

BEFORE
PRAB Conveyor

30-MIN
per die change

AFTER
PRAB Conveyor

12-MIN
per die change

Die change efficiency increased by 50%.
Operating costs decreased 12-18% per job.

Annual Ultrafiltration Washer-Cleaner Cost Comparison

BEFORE
PRAB Ultrafiltration

\$300,000

AFTER
PRAB Ultrafiltration

\$104,000

Total Washer-Cleaner Savings:
\$196,000/Year

Built to Last, Seamlessly Integrated

PRAB systems are engineered for decades of performance—many still run strong after 30+ years. Designed for harsh environments and easy service, our equipment integrates flawlessly with your systems for unmatched reliability.

Industry Experts You Can Trust

With 70+ years of expertise and over 200 technical publications, PRAB delivers customized solutions built on proven knowledge and trusted by industry leaders worldwide.

Always Here When You Need Us

Count on 24/7 support, rush part deliveries, and detailed documentation to keep your operation running smoothly. PRAB is your reliable partner every step of the way.

Proven Solutions, Measurable Results

PRAB provides data-driven insights to ensure your investment delivers predictable performance and maximum ROI, from precise lab testing to on-site demo units.

The PRAB team is with you every step of the way. Our equipment experts are just a call away, 24/7, ready to keep your operations running smoothly and efficiently. With our round-the-clock support, you'll always have the competitive edge your business deserves.

The PRAB Performantee | 24/7 Live Technical Support

We stand by the performance of your PRAB equipment. If it doesn't deliver the results it was designed for, we will make the adjustments, repairs, or changes to ensure it does. We're available 24/7 for live technical support. Just call us.
